“HONORING THE EARTH IN THE YEAR OF THE PANDEMIC”

The Douglas County Global Warming Coalition is inviting our members to share their stories on how each of us honored the earth in the year of the Pandemic.

It has been a challenging year and as Earth Day approaches, it is a time we can come together and inspire each other with our unique stories on how we were able to remember to honor the Earth.

Between now and the week of April 22nd, share your story

on our Facebook Page or send it to our email:

dglobalwarmingcoalition@gmail.com

and we will post it for you.

And may next year bring us together in person to celebrate the planet we cherish - Our Home.
